STAR GRADING

TCR live (star) grading is for stallions, mares and geldings that are registered with TCR and that are two years of age and over.

	HANDLER TURNOUT AND HANDLING The handler's turnout will be scored as well as how well the cob behaves and shows for the handler.
	CONDITION AND PRESENTATION The cob will be scored on its body condition as well as on the condition of its mane, tail and leg feather. The cob will also be scored on how well it is groomed and on its bridle, bit and lead-rein.
	BREED TYPE The cob will be scored on how well it represents its Traditional Cob breed type (Traditional Irish Cob, Irish Cob, Traditional Gypsy Cob, Gypsy Cob, Mini Cob, Mini Irish Cob, Mini Gypsy Cob, or Stepping Cob).
	CONFORMATION The cob will be scored on its conformation as its Traditional Cob breed type (Traditional Irish Cob, Irish Cob, Traditional Gypsy Cob, Gypsy Cob, Mini Cob, Mini Irish Cob, Mini Gypsy Cob, or Stepping Cob).
	MOVEMENT The cob will be scored on its movement at walk and trot which should be normal and not over exaggerated except for the Stepping Cob.

PREMIUM GRADING

	PROGENY Because a Premium Grading is a breeding status that relates to offspring only, to achieve a Premium Grading a cob must produce at least two offspring that have achieved a 5 star grading.
